From Faith to Faith Consistent Investing Religious Institutions and their Investment Practices

This practitioners report highlights the results of the study of over 100 religious institutions and their investment practices. The study is conducted by 3iG, ESADE and Vlerick, and highlights how religious institutions try to align their religious beliefs with their investments. The report is suitable for religious investors as well as asset managers and other finance practitioners.

Full Colour, 44 pages, English. Costs per piece 10 Euros. Discount 10% for ordering more than 5 pieces. Payments can be made via the donation button on www.3ignet.org by mentioning 'FCI research' and your postal address.
